Great for new Studios and those that dont understand marketing.By CustomerThe Practical Guide to Indie Game Marketing is overall amazing book, As a new Studio this book has significantly help with creating a realistic guide line to follow for marketing. Bringing up several points that I had not consider before reading this book. Dealing with PR and working with your targeted Audience. It certainly provides a great starting point for new developers to get an idea and guide to market theyre game effectively.2 of 4 people found the following review helpful. Five StarsBy Cliente Excellent guide! I started my work in an indie gaming studio back

in January and my only reference was Joel's book. I have followed his advices and I have reached thousands of downloads in one of the most successful videogames on Steam ever. I really thank Joel Dreskin for his precious help because nothing would be the same without this book. I highly recommend it to everybody. @arobello

Learn how to market for your indie game, even with a small budget and limited resources. For those who want to earn a regular income from making indie games, marketing can be nearly as vital to the success of the game as the game itself. *A Practical Guide to Indie Game Marketing* provides you with the tools needed to build visibility and sell your game. With special focus on developers with small budgets and limited staff and resources, this book is packed with recommendations and techniques that you can put to use immediately. As a seasoned marketing professional, author Joel Dreskin provides insight into practical, real-world experiences from marketing numerous successful games and also shares tips on mistakes to avoid. Presented in an easy to read format, *A Practical Guide to Indie Game Marketing* includes information on establishing an audience and increasing visibility so you can build successes with your studio and games. Through case studies, examples, guidelines and tips, you will learn best practices for developing plans for your game launches, PR, community engagement, channel promotions and more. Sample timelines help you determine how long in advance of a launch to prepare your first public communications, when to announce your game, as well as recommended timing for releasing different game assets. Book also includes marketing checklist 'cheat sheets', dos and don'ts and additional resources

About the Author Joel Dreskin has developed expertise with marketing, strategy development and campaign executions for high profile, enthusiast and indie brands over the past 20 years including Star Wars, Back to the Future, Wallace Gromit, Monkey Island, Sam Max, original IP, and more. In addition to Joel's experience with game tie-in launches for the Star Wars prequel films during his years with the LucasArts division of Lucasfilm, he drove brand, channel and marketing program development for Telltale Games from the company's second through seventh years and digital media software initiatives with Macromedia (now Adobe). Joel has recently created and run focused showcase events for indie developers: Indie Press Day and Good Game Club; and has also been contributing to the Media Indie Exchange press/industry mixer events.
