14 of 15 people found the following review helpful. good adviceBy Grace MoralesThis was an interesting read with alot of good advice. I liked how while the title was catchy, the book wasn't a scheme to get rich quick. It really had good information about investments management and I think even those smarter than the average joe could learn a few

tips and tricks. Am I really going to be a millionaire next year? Probably not :) 0 of 1 people found the following review helpful. Everyone needs this book! By What's good for you.
