Lloyd E. Sandelands : Being at Work before purchasing it in order to gage whether or not it would be worth my time, and all praised Being at Work:

What is it to be truly human at work? Why do so many people today ache to be more human at work? In this book, Lloyd E. Sandelands unites the metaphysics of Aristotle and Aquinas and the social teachings of the Catholic Church to describe how business leaders can help people in their organizations become more truly and fully human. Being at

Work is a much-needed marriage of metaphysical philosophy and managerial common sense.
