From St. Martin's Paperbacks : Best of the Cheapskate Monthly: Simple Tips For Living Lean In The Nineties before purchasing it in order to gage whether or not it would be worth my time, and all praised Best of the Cheapskate Monthly: Simple Tips For Living Lean In The Nineties:

0 of 0 people found the following review helpful. Great BookBy Kathy ColemanGreat book. Once I started reading I couldn't stop. So many helpful tips and valuable information to get started with our new plan9 of 10 people found the following review helpful. good for beginnersBy mom of twinsMary Hunt's books are good for the beginner. This is a rehash of her other book as the last person wrote, so only purchase one. If you want every possible option there is to save money, read the Tightwad Gazette 1-3.17 of 18 people found the following review helpful. TOTAL REHASH OF HER OTHER BOOKBy A CustomerI bought this book along with Mary Hunt's "The Complete Cheapskate." Over half of "Best Of Cheapskate Monthly" is in "The Complete Cheapskate." What a shock. Here I am reading this book thinking it all sounded familiar. That was because Ms. Hunt took part of one book and slapped it into another. I feel very cheated. Do yourselves a favor, buy one or the other of the two titles-NOT BOTH!

Mary Hunt is a self-avowed reformed spendthrift and credit-card junkie. When she and her family of four found themselves \$100,000 in debt and her husband suddenly lost his job, it was time to tighten the belt. Refusing to sacrifice her quality of life, Ms. Hunt systematically put to work every tip, trick and technique to turn her financial disaster around. Translating that experience into her immensely popular newsletter, The Cheapskate Monthly, Ms. Hunt now tells you all you need to know to turn your own finances around for good. Filled with first-person accounts, recipes, formulas, budgeting and recycling tips, reader response and encouragement, The Best of the Cheapskate Monthly is a necessity for the '90s.

"Hunt has become so competent at pinching pennies that she teaches others the fine art through Cheapskate Monthly."--Business Week
