Scott Palmer, Bethany Palmer : Cents Sensibility: How Couples Can Agree about Money before purchasing it in order to gage whether or not it would be worth my time, and all praised Cents Sensibility: How Couples Can Agree about Money:

0 of 0 people found the following review helpful. A good Bible based guide to stewarding finances in marriage. By Marcella Although I have 2.5 month old twins I couldn't put down this book once I started reading. I could relate to many of the principles conveyed as well as the examples used. I had many eureka moments and was somewhat relieved to know that we were not alone in many of the challenges face. What I especially appreciated is that the book went further than just identifying the problem and shared useful strategies for addressing common challenges. 0 of 0

people found the following review helpful. Five StarsBy Melody M.A great book o saving money as a couple and it totally makes a lot of (cents) too. :)0 of 0 people found the following review helpful. Very informative---I hope to use it to help my own ...By rxmld33Very informative---I hope to use it to help my own marriage and others that I may come in contact with. Worth the price.

Conflicts about money are often the key source of arguments between couples. That's because most of the time, spouses look at financial matters very differently. One might be a "saver" while the other is a "spender." But neither type is necessarily "right" in the way they choose to handle family funds. This is a guidebook to help married and engaged couples build (or rebuild) their relationship by working together on financial issues. With God's principles at work, there is hope for arriving at financial balance! Couples learn to understand and respect each other, and by communicating more effectively, can begin the journey to financial harmony;and joy!

About the AuthorScott and Bethany Palmer are partners in life, work and ministry. Together they successfully manage Christian Retirement Coalition;an international benefits ministry that serves ministries and ministry professionals with retirement plans and group benefits. They skillfully manage their professional and home lives, splitting their time between professional endeavors and caring for their two young boys, Cole and Cade, at home in Colorado.
