household, automotive, etc. I had some trouble finding things a second time because I have to remember what they were titled. I found that a lot of the cleaning tips were fantastic. I'm working through the book. I just started writing this stuff down. That way I don't have to go looking for what I need when I've started cleaning (or whatever). Overall, great book. Could be organized better. 1 of 1 people found the following review helpful. Look for her newer publications. By mngma Mary Hunt's column runs in our local paper and I was hoping to purchase her book and have all her tips at hand. This isn't the book I was looking for. This must be the first book she published. There's nothing really wrong with it, it's just outdated. My fault for not paying closer attention. 1 of 1 people found the following review helpful. MONEY TALKS! By Elizabeth Hernandez Money talks in my case, it screams! Mary Hunt writes a syndicated column in newspapers; here in the Midwest we are very fortunate to be able to read what Mary writes as she has climbed out of debt knows exactly how where our monies should go, while saving at the same time. This book is great! All of Mary Hunt's books are great. As an individual or family, we have come to rely too much on plastic not enough on how to save a few nickels or in reality, what to do with cold, hard cash. Learn from Mary Hunt - her words of wisdom will save you money.
