Mastering Your MoneyBy A CustomerStruggling with debts? Can't figure out why or how on earth to get out from under the mountain? I thoroughly recommend Mary Hunt's publication. Based on experience, it has a tone of authenticity that is most appealing and her suggestions practical advice are equalled only by the remarkable Jerrold Mundis. I look for Mary's publications as I enjoy her easy style and the sheer commonsense of her advice. I've never been in her situation and thanks to her ideas, I don't ever expect to be. When I am tempted I just think to myself "What would Mary do?" Works a treat every time, although it does mean I have to occasionally restrain my passion for books!
