Richard K. Harris : Choose the Pacific Northwest for Retirement, 3rd: Information for Travel, Retirement, Investment, and Affordable Living (Choose Retirement Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Choose the Pacific Northwest for Retirement, 3rd: Information for Travel, Retirement, Investment, and Affordable Living (Choose Retirement Series):

0 of 0 people found the following review helpful. Helpful but could be betterBy Barbara CoxSome of the information is good and some just fluff. Formatting for ebook is off- all Weather headings are in the wrong place making it difficult to find the info you need.Real estate pricing is useless as it fails to take into account sq ft, lot size, view vs no view. Could be better at this.2 of 2 people found the following review helpful. As orderedBy CustomerBook arrived in good time, very good quality. Good information to help retirement decisions plus if you already live in Pacific Northwest, gives useful information for trips, travels around the area.4 of 5 people found the following review helpful. Sketchy book not oriented toward budget readersBy James H. WilliamsI was diappointed by this edition. It seems aimed at retirees whose incomes are higher than most.I was dissappointed that there was not more information about Tacoma. Since Seattle has become so expensive, Tacoma has become more attractive because of lower housing costs (and, heck, you are just 30 mi from Seattle if you want something from there.)

Thisnbsp;thoroughly revised guidenbsp;provides retireesnbsp;detailednbsp;informationnbsp;about settling or vacationing in the Pacific Northwest, from real estate and health care to cultural opportunities and cost of living.
