**John Howells, Richard Harris : Choose the Pacific Northwest for Retirement: Information for Travel, Retirement, Investment, and Affordable Living (Choose Retirement Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Choose the Pacific Northwest for Retirement: Information for Travel, Retirement, Investment, and Affordable Living (Choose Retirement Series):

1 of 1 people found the following review helpful. This was not a bad book - just fairly superficialBy terry westover  
This was not a bad book - just fairly superficial. I was looking for something with a little more detail about the quality of life in several towns I'm considering for retirement and this didn't do it for me. While they do discuss medical facilities and mention whether there is a senior center, they tend to focus only on golf as a leisure activity (news alert: not all seniors are golfers) - other than "where to take the grandkids" info. I would have liked more information on cost of living, social activities (for example, are there art or hiking clubs?), local politics, neighborhoods, housing options, taxes, etc. But, if you're just looking for some basic info about a lot of communities, this might do it for you.

This is the comprehensive guide to have if considering retirement in the Pacific Northwest. From real estate to weather statistics, this guide will empower you to help you make such an important life decision.
