H. Letiche, M. Lissack, Ron Schultz : Coherence in the Midst of Complexity: Advances in Social Complexity Theory before purchasing it in order to gage whether or not it would be worth my time, and all praised Coherence in the Midst of Complexity: Advances in Social Complexity Theory:

Anbsp;discussion onnbsp;the social complexity approach, where dialogue and stories allow for the degrees of freedom

needed for the opportunities of emergence to take root. The authors focus on the experience of coherence and how such experiential lessons differ from the establishment and maintenance of categories and labels.

"Every manager should read this book and take it to heart." Ian I. Mitroff, Professor Emeritus at the Marshall School of Business and the Annenberg School for Communication at the University of Southern California.
