Mary V. Gelinas, Roger G. James : Collaborative Change: Improving Organizational Performance (includes a Microsoft Word diskette) before purchasing it in order to gage whether or not it would be worth my time, and all praised Collaborative Change: Improving Organizational Performance (includes a Microsoft Word diskette):

0 of 0 people found the following review helpful. Comprehensive Text for those looking for RFP guideBy Christina ScalesIt is an easy read with step by step instructions on how to address an RFP for an organization from meeting the client to parting with them.9 of 9 people found the following review helpful. Quality toolkit/process for guiding organizational change.By A CustomerMore than a book, this is a terrific 'tool/process' in a three-ring binder, for guiding organizational change, which includes a forms disk. The authors present a systems-based approach to organizational change which is team-based. This is a field guide complete with checklists, charts, forms, graphics, criteria for choosing team members, guide to key meetings, a tracking and coordination matrix for monitoring progress, a summary of agreements, and agenda for meetings. This handbook is divided into three parts: developing the foundations for change; designing change; and implementing change. It is crafted for use by consultants, but is intended to make the organizational design methodology explicit and accessible so that clients can learn the change process and and shape it to fit their needs.This is a powerful reference with enormous potential value, provided there is

the WILL to take action and action IS taken. Of course, no consultant or book, or inspirational speaker for that matter, can make change happen; that is up to YOU, the client. It is having the will and following through-execution-that poses the ultimate challenge!The work includes a case study, references, and additional resources. We highly recommend this book.

Roll up your sleeves and make change happen! Collaborative Change shows you what you need to do in order to launch effective, successful performance improvement initiatives. The authors draw on their forty years of combined experience in the field. Integrating models, theories, and practices in a way that is uniquely useful to leaders and practitioners, Gelinas and James have created a modern classic! You'll learn how to: * Build a strong foundation for change with leaders * Apply best practices for changing organizations * Decide what areas of an organization are ripe for change * Involve key stakeholders in the change process * Contract with internal and external clients * Implement change . . . and much more!You get a wealth of forms, figures, agendas, and job aids that foster fast implementation. The binder format facilitates photocopying and easy fieldwork, and the enclosed diskette contains all the forms in readily customizable Word format. Grab this guide today and make change happen!

"Collaborative Change is a must-read for anyone working within organizations to make them more viable and effective. This book is practical and inspiring. It will give you everything you need to 'roll up your sleeves' and make successful change happen." --Ken Blanchard, coauthor, *The One Minute Manager* "Collaborative Change is destined to become a classic, and Gelinas and James have set extraordinarily high standards of practice for all those who accept the challenge of leading change. I heartily recommend it." --Jim Kouzes, coauthor, *The Leadership Challenge* and *The Leadership Practices Inventory (LPI)*; chairman, *Tom Peters Group/Learning Systems* "The authors' vast experience is shown in the clear organization of their framework, and in the practical and comprehensive way they present each element of their model. Their work leads the change leaders in the effort to lead organizations in change." --Dennis Jaffe and Cynthia Scott, authors, *Rekindling Commitment*
