Drayton Bird : Commonsense Direct and Digital Marketing before purchasing it in order to gauge whether or not it would be worth my time, and all praised Commonsense Direct and Digital Marketing:

3 of 3 people found the following review helpful. Timeless Wisdom From a Master By Mark IF you know about Drayton Bird, then you know he's a bit of a legend. If you don't know about him, well then what are you doing in marketing/advertising? But seriously, this book is a goldmine of marketing ideas and advice that are designed to get results. If results matter to you, then get this book. If you want fancy marketing and branding theory, then this is not for you. It's a big book packed with tips on what to do and how to do it. All delivered in Bird's irascible and highly amusing style. As the name implies, it's about direct marketing. In other words the hard nosed approach towards getting the sale and the profit. It should be required reading for all marketers and advertisers, but sadly it isn't. That makes it a secret weapon for those of us in the know. 0 of 0 people found the following review helpful. 430 pages of marketing insights from a legend in direct marketing By Felix The money invested in this book has been one of my wisest choices. Drayton Bird is a first rate author when it comes to Direct Marketing. He's a sincere, funny and knowledgeable man

who's given us this excellent book to study a field in which he worked in for decades with some of the greatest ad men of our times. 0 of 0 people found the following review helpful. Great book By Jansie Blom It's overwhelming in its completeness. It's a challenge to those who think that people have changed due to the arrival of the Internet. Great book.

Drayton Bird's Commonsense Direct and Digital Marketing needs no introduction to marketers and direct marketers. It is not only seen as the authority on direct marketing execution, but is also widely appreciated for its engaging, no-nonsense style. The latest edition takes the book into new territory - the field of digital marketing. It gives the marketer the tools, techniques and structure needed to produce effective and profitable marketing across the direct marketing spectrum - from simple letter to focused web-based campaigns. For anyone involved in direct marketing, from junior marketer to senior manager, this book provides not just the structure for success but also an energising insight into the techniques behind some of the world's most successful direct marketing campaigns.

'Everything the testimonials say, and a bargain at any price.' Robert Heller 'Read it and re-read it. It contains the knowledge of a lifetime.' David Ogilvy 'Remarkably personal, yet authoritative.' Ed McClean, DM News, New York 'So clear and concise that selective quotations fail to do justice to the richness of its texture.' Campaign 'If you can spare the time to read only one direct-mail book - this is it. Beg, borrow or steal it.' Graeme McCorkell, Founder, MSW Rapp Collins 'If you read no other book on direct marketing you should find the time to read this one.' Direct Marketing International 'For sheer readability, it's still hard to beat Commonsense Direct Marketing.' Direct Response 'Probably the best book written on direct marketing in the UK and certainly the easiest to read.' Direct Marketing Strategies About the Author Drayton Bird has over 40 years' experience as a copywriter and creative director. He was VP and Creative Director at Ogilvy and Mather and today runs his own marketing partnership.
