**Patricia Aburdene : Conscious Money: Living, Creating, and Investing with Your Values for a Sustainable New Prosperity** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Conscious Money: Living, Creating, and Investing with Your Values for a Sustainable New Prosperity:

1 of 1 people found the following review helpful. A delicious, delightful book on 'money' By Dr Sue Barley Many of us have mixed feelings on the subject of money, even though with the way world works right now we all need it. Patricia

Aburdene's book is full of new insights, inspirations and some very practical tools to release blocks and help us gain a new reference to money and all that it means and all it can do. She teaches us about following our hearts and making choices that feel good and make financial sense, enabling us to transform our financial lives. This is no heavy financial book but a delight to read whilst shifting our perspectives. 2 of 2 people found the following review helpful. Conscious Money By Rita A book about money that speaks to my own truth, and the very energy of money. Patricia has reminded me that my creativity and conscious presence, that I have worked on to enhance other areas of my life, are also very powerful tools for growing conscious money. This book is a must read for all who seek to understand the true consciousness of money and why it may have eluded you in the past. 2 of 2 people found the following review helpful. Necessary. By Susie Maven Patricia has a way of reaching anyone who has ever wanted to know more about financial integrity and know-how. She starts on a personal level and goes all the way to learning how to be able to buy stocks on your own. She teaches how to be more conscious about spending money and how to be conscious about buying stocks. A must read for everyone.

Why not make money and make a difference, too? A revolutionary blueprint for growing wealth, finding fulfillment, and changing the world by living your values. In the emerging era of Conscious Money, we achieve prosperity by tapping into the power of values, consciousness, and sound economic principles. By applying the wisdom of Conscious Money to your personal finances, you can build a foundation for sustainable wealth and true fulfillment. No longer will you need to choose between your core values and your paycheck. Instead yoursquo;ll expand on-the-job creativity, grow income through conscious practices, and change the world as you: bull; identify your unique personal values; bull; break down barriers to financial success; bull; partner with companies that reflect your values; bull; express your values through conscious shopping; bull; tap into higher consciousness at the office; bull; harness your intuition to clarify financial choices; and bull; invest in enterprises that honor the planet.

"We can have a new economic era nowmdash;where sustainable values and the genius of human consciousness outperform fear and greed. Conscious Money imagines it, presents the evidence for it, and creates a blueprint for achieving it. Nothing could be a more significant contribution to our personal and global healing.rdqquo;mdash;Marianne Williamson, author of Return to Love ldquo;Conscious Money does for individuals what Conscious Capitalism did for corporations: it articulates a simple, brilliant framework for achieving sustainable financial results, while espousing the highest ideals. Read it, get inspired, and prosper.rdqquo;mdash;John Mackey, co-CEO and co-founder of Whole Foods Market "Affirmations, reflections, resources, exercises, and sound financial information and forecasting make this an engaging and practical read on the leading edge of sustainable wealth consciousness." (Publishers Weekly )ldquo;Anything Patricia Aburdene writes is of immediate interest to me. In Conscious Money, she shows us why we should reject conventional economic wisdom (greed is good) and grow prosperity by recognizing values like trust and integrity as our greatest financial assets. Passionate and persuasive; read it to make a difference, find fulfillment, and grow lsquo;consciousrsquo; wealth.rdqquo;mdash;Stephen M. R. Covey, bestselling author of The Speed of Trust and Smart Trust ldquo;Conscious Money translates the profitable business model of Conscious Capitalism into a blueprint for personal finance. Read it, change the way you see, and engage with the world of business, and personally prosper by honoring your values.rdqquo;mdash;Kip Tindell, chairman and CEO of The Container Store ldquo;Fundamentally, our inner relationship with our moneymdash;how we feel about our prosperity and the paths wersquo;ve chosen to reach itmdash;is one of the truest definitions of fulfillment and security.nbsp;Patricia Aburdenersquo;s insightful, delightful work carefully and accessibly explores these truths and provides pioneering counsel on reaching our goals. Reading her book is a deeply satisfying and enriching experience. mdash;Jack Canfield, author of The Success Principles, The Golden Motorcycle Gang and cocreator of The Chicken Soup for the Soul series ldquo;"This profound and eminently practical book is pure genius when it comes to money and consciousness. It is not only a superb guide to the release of our money sickness but gives us transformative skills that lead us towards clarity and abundance while enlightening our mind and spirit.rdqquo; mdash;Jean Houston, PhD, author of A Passion for the Possible ldquo;Perfect timing. In an era when most of us question lsquo;economics as usual,rsquo; Conscious Money charts a personalized strategy for embracing human values as the cornerstone of sustainable finance. This is a rare and winning blend of inspiration, information, and wisdom. Bravo Patricia Aburdene.rdqquo;mdash;Amy Domini, founder and CEO of Domini Social Investments About the Author Patricia Aburdene is one of the world#8217;s leading social forecasters, a number one bestselling author, and world-renowned speaker. She is the leading authority on Conscious Money and Conscious Capitalism. She authored Megatrends 2010, Reinventing the Corporation, and Megatrends for Women.
