WARNING, WARNING, WARNING! The book you get will not be the book you ordered!By EdnaI pre-ordered this book (in Kindle format) because I'm a fan of Jay Conrad Levinson. I received the book yesterday. Guess

what -- I didn't get the Guerilla Marketing Field Guide. I got the Ultimate Guide to Twitter for Business, which I'm sure is a lovely book but it's not what I ordered. I contacted customer support and after waiting around for 40 minutes was told there was nothing more they could do for me than give me a refund. Click on the "Click to Look Inside" icon over the cover of this book. If the Twitter book still shows up, save yourself a headache and don't order it. I wish that had been available when I pre-ordered. Today's lesson: never pre-order a Kindle book.
