Marshall Scott Poole, Andrew H. Van de Ven : Handbook of Organizational Change and Innovation before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook of Organizational Change and Innovation:

In a world of organizations that are in constant change scholars have long sought to understand and explain how they change. This book introduces research methods that are specifically designed to support the development and evaluation of organizational process theories. The authors are a group of highly regarded experts who have been doing collaborative research on change and development for many years.

"This valuable resource for those seeking to understand organizational change is a must for every university research library."--CHOICE
About the Author
Marshal Scott Poole is at Texas A and M University.
