found the following review helpful. A good compilation of articles related to customer loyaltyBy Pedro LopezIf you are familiar with the authors and articles of this publishing company, the book results only in a good compilation of articles. If this is your prime view or approach to the topic, it is a MUST tool that you ought to have.It is like a compilation of concepts by different authors related to the topic, that allows to understand concepts related to product and service companies, the relation between satisfaction and loyalty, the mismanagement of loyalty in the market and of course the profitability related to loyalty.Very good recommendations through this collection about loyalty promotion, customer recommendation, company profitability and customer's lifetime value.

How do you keep your customers coming back-and get them to bring others?If you need the best practices and ideas for making your customers loyal and profitable--but don't have time to find them--this book is for you. Here are nine inspiring and useful perspectives, all in one place.This collection of HBR articles will help you:- Turn angry customers into loyal advocates- Get more people to recommend you- Boost customer satisfaction by satisfying your employees- Focus on profitable customers--whether they're loyal or not- Invest in the right CRM technology for your business- Mine customer data for more effective marketing- Increase your customers' lifetime value
