Alan D. Wolfelt PhD : **Healing Grief at Work: 100 Practical Ideas After Your Workplace Is Touched by Loss (Healing Your Grieving Heart series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Healing Grief at Work: 100 Practical Ideas After Your Workplace Is Touched by Loss (Healing Your Grieving Heart series):

0 of 1 people found the following review helpful. Helpful for dealing with griefBy D. RaskinExcellent book! Not only great for dealing with grief in the workplace, but grief in general....I highly recommend.

With a gentle and considerate style, this handbook explores what happens when grief and the workplace meet, and the drastic effects of grieving on employees, their performance, and the overall workplace environment. Touching on the different kinds of grief workers can experience, such as death, divorce, and layoffs, the effective ways to channel grief during the workday, how to support coworkers who mourn, participation in group memorials, and negotiating appropriate bereavement leave, this concise and practical resource gives both ideas for the mourner and the mourner's coworkers. A special introduction for employers, owners, managers, and human resource personnel addresses the economic impact of grief in the workplace and provides practical and cost effective ideas for maintaining morale and creating a productive yet compassionate work environment.

About the AuthorAlan D. Wolfelt, PhD, serves as the director of the Center for Loss and Life Transition. He writes the "Children and Grief" column for Bereavement Magazine and has appeared on Larry King Live, The Oprah Winfrey Show, and Today.
