David Wilkening : How to Hide: A Practical Guide to Vanishing and Taking Your Assets With You before purchasing it in order to gauge whether or not it would be worth my time, and all praised How to Hide: A Practical Guide to Vanishing and Taking Your Assets With You:

0 of 1 people found the following review helpful. Three StarsBy Wanderlust FarmsAs expected2 of 2 people found the following review helpful. The ideal "How To" bookBy Henry J HankHow to Hide, by David Wilkening, is, as described on the book's cover, "a practical guide to vanishing and taking your assets with you." The book teaches to

disappear, going through excruciating and near heartbreaking detail on how to do it. Everything is planned out, from the first thought, to the final step. The book asks why one would want to disappear, then jumps right into planning the escape, stressing the importance of keeping all of one's legal documents in order and close by, finding a new identity and deciding where to go. The book maintains the importance of keeping one's finances intact throughout. The book explores even the most extreme cases of hiding as well, touching on altering one's appearance and state of mind, finding a new job, keeping one's new identity safe, and how to handle police and private investigators. The book is perfect for anyone looking to escape in a practical and clever way.² of 2 people found the following review helpful. How to Hide: A Practical Guide to Vanishing and Taking Your Assets With You By David Scott Ricker "How to Hide: A Practical Guide to Vanishing and Taking Your Assets With You" by David Wilkening is a complete reference guide for anyone wishing to disappear from their current life and take with them the means to live their new life without missing a beat. Wilkening lays out in great detail how a person might arrange to disappear legally from their current life without attracting attention. He is very clear that doing so illegally is never advisable. Wilkening goes into great detail regarding how to set up a new identity, a new bank account, employment, where the best places are for relocating and even the best ways to get there. Wilkening also provides insight into how to avoid investigators, both private and governmental, which may be looking for you after you have disappeared. I learned a few things I did not know. David S. Ricker (dsricker53@gmail.com)

There are many reasons why you might decide to leave your life. You could be one of the nearly 800,000 million Americans every year who have been forced to file for bankruptcy or one of the 900,000 individuals who files for divorce annually. Whatever reason you may have for wanting to hide your assets and disappear without a trace, this book is a complete walkthrough of the process you should use to do so. The first thing you will learn is how you can start planning your move out of the United States. What will you need to do and know before you prepare to leave to ensure that your move goes off smoothly? The choice between staying in the U.S. and leaving the country will be provided, as well as a rundown of very important questions you must ask yourself before you leave your old life behind, including cautions, and the legal implications of your departure that can never be undone. You will learn where the best places in the world are to hide yourself and your assets. The process of diversifying your money out of U.S. credit bureau and Financial Crime Enforcement Network oversight will be provided, allowing you to start hiding your assets in nondescript, untraceable locations. You will learn what you need to do to start generating your new identity and what ties need to be completely severed in order to make sure your old identity does not come back to haunt you. You will learn how to travel in and out of your new country and the U.S. with ease and how you can access, move, and keep your money safely without giving away where it is hidden. The most important aspect of this book will be the chapter on how you will be searched for and what you should expect. The various purposes for your departure will affect how thoroughly you are sought out and what you must do to stay hidden. Additionally, you will be shown how to maintain your lifestyle according to where you move and what your assets are worth in your new home. A special chapter geared exclusively toward the victims of abuse, including spousal, domestic, or other types, is included, along with information on what to do if you have children or other ties to your former life. Finally, you will be shown how the Internet will become an invaluable tool to you in staying hidden, but also a portal through which people can find and stay in contact with you. For anyone seeking to finally break free of their old life and be gone, without a trace, this book provides a complete, step-by-step guide to help you hide your assets, get away, and stay hidden for good. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida.
