John DeMartini : How To Make One Hell Of A Profit and Still Get In To Heaven before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Make One Hell Of A Profit and Still Get In To Heaven:

Millions of people worldwide dream of making a "good" living, of attaining great wealth, and having an extraordinary and fortunate life. However, they haven't yet found a way of attaining it, and they fear that they can only do so at the expense of others—perhaps by compromising their higher spiritual values and virtuous nature. Some people who outwardly acknowledge their desire for great wealth feel inwardly guilty about acquiring it, and their illusive conflict blocks or dissipates their potential fortunes. Other people say they just want to be comfortable and secure rather than vastly fortunate. These individuals also hold themselves back from breaking

through to new levels of financial freedom, and actually living their most cherished and inspiring dreams. In addition to their conflicting spiritual and material natures, some people have an additional internal struggle between their desires to give and receive. *How to Make One Hell of a Profit and Still Get to Heaven* was written to help you (if you happen to be like most people) dissolve these apparent conflicts. It can assist you in making your financial dreams come true while shedding light on an entirely new way of looking at, understanding, and appreciating the true nature of Earthly profits and heavenly wealth. If you read and apply the principles and methodologies that are laid out in these pages, your relationship with, and ability to master, your spiritual wealth and material finances as well as other vital areas of your life will undergo an amazing transformation.
