Tracy Leigh : How to Plan Your Own Wedding and Save Thousands - Without Going Crazy before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Plan Your Own Wedding and Save Thousands - Without Going Crazy:

11 of 11 people found the following review helpful. Good before planning or for non-plannersBy gibbasI was looking for a wedding planning book that would help me save money without sacrificing the style of my special day. This book, and the reviews, made it seem like this would be the book for me. Sadly when I received it I found that all (and I

mean ALL) the information and tips in the books were things I had already done or just plain common sense. I guess I might be type A in that sense. For example, she mentions that you should "comparison shop", and for me that was a no brainer. This book didn't present me with any new information that I hadn't already thought of. I ultimately returned this book because I didn't find it useful. That said, if you're not a planner like me (I had my wedding planning binder put together within 4 days of getting engaged) this book could offer some useful tips and tools for you. If you're looking for interesting ways to make your wedding your own without breaking the bank I would suggest "Your Wedding Your Way" by Sharon Naylor. It walks you through do's and don'ts of planning your day your way and how to communicate that to your parents and vendors while also saving money and time. 0 of 0 people found the following review helpful. On the Money to Save the \$By Lindsay This is the perfect DIY wedding planning book. It provides examples and different methods to make the planning stress free. It ensures that you are able to budget without feeling overwhelmed. It also recommends different ways to save on your wedding. With the average cost of weddings being \$35K, this is the perfect book to read and implement the information into your own planning. 0 of 0 people found the following review helpful. The Inside Look at Wedding PlanningBy Diane Allen This book provides every detail of what you will encounter as you begin to plan your wedding. As a consultant for wedding planning on a budget, I encourage brides and grooms to review this book and then reach out to me for services that will make the best time of your life, even better.

Congratulations! You are getting married and want a beautiful, memorable event, yet you need to stick to a tight budget. Don't despair! There are hundreds of proven ways to have your dream wedding without breaking your budget. The average cost of a wedding in the United States is approaching \$30,000, a 73 percent increase since 1992, according to a recent study. What's astonishing is how quickly all the other smaller expenses those you don't immediately think of add up. The stationery, invitations, announcements, thank-you notes, postage, make up, hair stylist, limousines, menus, and so on, not including the cost for an engagement party, rehearsal dinner, gifts, honeymoon, engagement ring, and bridal consultant or wedding planner. Just imagine what you could do if you could save \$30,000 as you start out your new life together. Whether your budget is \$1,000 or \$50,000, in this easy to read and comprehensive book you will learn hundreds of simple ways to cut down on your wedding expenses without serving a roomful of guests hamburgers and hot dogs at your reception. Reducing your wedding costs doesn't have to mean plastic forks and pitching a tent on your auntr's front lawn. This new book will teach you hundreds of insider secrets to nip the overcharges out of your wedding budget. The author tackles invitations, facility, catering, gifts, bar-liquor, tables and chairs, decorations, napkins, centerpieces, flowers, limousine, dishes and glasses, music, candles, photography, videographer, ring pillow, linens, guest favors, tents, dance floor, cake, matches, place cards, thank you notes, and dozens more. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Today, over 450 titles are in print covering subjects such as small business, healthy living, management, finance, careers, and real estate. How to Plan Your Own Wedding and Save Thousands Without Going Crazy is indeed an awesome, step-by-step how-to book that assists brides and grooms in making their wedding a memorable occasion instead of a financial burden. As a wedding consultant, after reading this book, I found it to be a great research tool for brides, as it gives couples basic knowledge about wedding planning. Tracy, job well done! --Michelle Flores Wedding Consultant, Flore' Events, NY 212-920-9234 About the Author Tracy Leigh is a successful freelance writer and the author of many bridal planning articles. Her first taste of planning a wedding on a budget was her own, and although it turned out terrific, she learned from her mistakes. Since then, she has gone on to help friends plan their own weddings in creative and budget-minded ways. She resides in her home state of Ohio, along with her husband and four children. Tracy is an officer in a community writing organization, reads constantly, and enjoys planning family gatherings. She can be reached at Tracy@TracyLeighWrites.com.
