Thomas L Pauley, Penelope Pauley : I'm Rich Beyond My Wildest Dreams: How to Get Everything You Want in Life before purchasing it in order to gage whether or not it would be worth my time, and all praised I'm Rich Beyond My Wildest Dreams: How to Get Everything You Want in Life:

5 of 5 people found the following review helpful. Remember the TitheBy Jaime VenderaA lot in this book reminded me of other "law of attraction" type books on the market, but what I did like was the author's focus on tithing and the

fact that the simple principle of tithing really does work. It's hard for people to understand this principle at times, but the Pauley's lighthearted story-like approach will make it a fun read, keeping you interested while enlightening you on age-old principles that are read by thousands every day in the Bible. It's a quick and easy read and although I didn't learn anything new, I liked the book so much that I ordered a few more copies for friends. It was refreshing to read a law of attraction book that was more story based, which gave me a connection. I was like "man I've been there!" Buy the book, you'll like it: 3 of 3 people found the following review helpful. You gotta buy this book! By KEEDA If you are a Law of Attraction aficionado you've got the right book in hand. It is wonderfully written with simple, easy to follow instructions. And the really fun part of this book is how "good is makes you feel". Writing out your goals as if they've already been accomplished is so much fun. I laughed and giggled through the first several chapters. You are directed by the author to buy a 0.79 cents notebook wide ruled and act "rich". Remember goals are begun with a single thought. Taking action toward our goals helps the Universe deliver them as fast as possible. Get the book and start your journey. Remember, when you feel good, you feel God. Keeda 5 of 5 people found the following review helpful. Listen to the action-takers! By petgirl I read this book originally about 6-7 years ago and it was one of the best things I ever did! I still re-read it on occasion, when I find myself stalling and forgetting to keep the momentum going, or if wanting to bone up on some of its inspiration and guidance. I'd read many, MANY other great books (including the classics) on positive thinking and prosperity - but this brought it down to a more in-depth step-by-step process that I hadn't seen before and that anyone can benefit from, especially if new to the subject. The book "Write It Down, Make It Happen" was a pre-cursor to this one, and was excellent - but this book had a much more concise and profound reason as to 'why' it works. I put its methods to practice and was astounded at how my life completely transitioned - because it was something I never could have foreseen happening at the time. I suggest getting a copy (even a used copy) and try it yourself - take action - I can truly attest to how the methodology works miracles in one's life. And for those who choose not to read it or who read it and didn't follow its advice - hopefully, they'll find a process that works for them, because this book can change lives. Either way, action is required with regard to any process - not just 'wishful thinking' - so writing down goals, wishes, dreams, etc. is the action that starts it. Best of luck to all who follow this book and any others like it.

They were given a key that unlocked the door to riches beyond their imaginations. It came to them on wings of gold. Now father and daughter share their story. The simple system detailed in this book is so powerful it took their family from a second personal bankruptcy to a rich and happy life...practically overnight.
Learn:
• How to guarantee your success
• One amazing secret that makes millionaires out of wage earners
• The key to an immediate, large, permanent increase in your income
• One secret formula the rich use to do less and have more
• Why too much effort produces exactly the opposite result

Have you ever wanted everything? And gotten it?? There is a new book out there that will show you how to do exactly that. I'm Rich Beyond My Wildest Dreams "I am. I am. I am.": How to Get Everything You Want in Life is a little book (with a BIG title!) that can help you along your road to happiness. The father/daughter team of Tom and Penelope Pauley shows you step by step how to create wealth in your life. And not just dollars. It's about spiritual, social, and personal happiness as well. I have used this approach to life and know it works. I found and bought my house in three hours. I got rid of problem neighbors (they moved), and not just the frat boy party pad two houses down, but the barky dog next door as well. All without saying or doing anything to them. The new folks who moved into both houses are quiet and respectful neighbors. It's all about writing down what you want in your life. So how do you get what you want? What do you have to give for it? This book tells you in a very readable way, with personal stories, casual style, and gender-friendly language. And at \$21.95, it has to be one of the best bargains of the century. Start your millennium off right. -- Margaret Loring-New Mexico State University The intriguing new book, Im Rich Beyond My Wildest Dreams. I am. I am. I am., by Thomas L. Pauley and Penelope J. Pauley is a remarkable and uplifting journey to riches for readers of all ages. We follow one familys rise to wealth and happiness while learning a step-by-step process designed to make the reader Rich Beyond His/Her Wildest Dreams. This book is a delight to read. The authors mix humor and discovery with heavy doses of powerful truth, ancient secrets and a simple plan for getting everything you want in this life. Beware! This book is addicting. Give yourself plenty of time when you crack that cover. Before you know it you will find yourself caught in the grip of master storytelling by a father/daughter team of authors intent on helping to make your life a better place to life. From the cover art by world class painter Michael Pattinson to the clever and insightful writing and the simple system for success, this book is a bright and powerful experience. A joy to read and a treasure to hold. Im Rich Beyond My Widest Dreams. I am. I am. I am. is perhaps the one of the brightest lights of the new Millenium. -- Jillian's Reading List/Austin TX We are told, ask and you shall receive. How can this be when so many people are asking but only a few are getting what they want? Marilyn, a loving and devoted teacher, has spent a lifetime teaching people how to ask for what they want. I am Rich Beyond My Wildest Dreams. I am. I am. I am. by Thomas L. Pauley and Penelope J. Pauley outlines a step-by-step process for

achieving what you want, in simple terms and language. -- Marilyn August - Living Better Magazine
From the Author
What pleases us most about this whole experience is the fact that people who read our book buy more than one copy. They are giving it to friends and relatives. That's the best compliment we could ever receive.
From the Back Cover
"Napoleon Hill Meets Deepak Chopra." Jill from Austin, Texas "Wow! Fantastic! You will want to buy one for yourself and seven copies to give away to your best friends." Cindy from Hobbs, NM "What I love is how inspirational it is. I open up your book and read. It always brings me up. Your book is changing a life long pattern in my life." Cheri from Ashburn, VA "I like how you weave the story in and out of doing the system. It reads easily. I liked it better the second time." Dave from San Diego, CA "I have always believed in this system, but now I know how it works and I know how to use it more effectively. Things can only get better." Margaret from Las Cruces, NM
