**Lionel F. Stapley : Individuals, Groups and Organizations Beneath the Surface: An Introduction** before purchasing it in order to gage whether or not it would be worth my time, and all praised Individuals, Groups and Organizations Beneath the Surface: An Introduction:

0 of 0 people found the following review helpful. Five StarsBy Regis Maia LucciExcellent

This volume is an introductory text to the individual and organizational dynamics by an author with extensive experience in the field. It examines the unconscious processes of human behaviour that affect all organizations and institutions. It is aimed at those who are currently employed as managers or consultants, students of management, and others with the opportunity to develop knowledge skills and ability in an area of organizational behaviour, which has been largely inaccessible to the majority.
