Phil Davis : Student Finance For Dummies - UK before purchasing it in order to gage whether or not it would be worth my time, and all praised Student Finance For Dummies - UK:

Your guide to financing a university education Navigating the intricacies of financing a UK education can make even the most composed parents and students lose their cool. Luckily, Student Financing For Dummies helps take some of the pain out of the struggle and offers everything you needdash;in one placemdash;to put a money management plan

in place and finance a university education. Packed with accessible guidance from authors throughout the UK who work with students and policy experts, it provides unique, sound and detailed financial advice to help students and their families manage money while at school. Taking the guesswork out of the student-finance process and saving you countless hours of searching on the Internet, this friendly, plain-English guide helps you navigate applying for student finance, student loans and grants, makes sense of subject-specific income like the NHS, Teacher Training and Social Work and more. And after the money is in place, you'll discover how to establish a financial plan to make sure the money lasts—;from term to term and through the entire time at uni. Covers student finance in England, Wales, Scotland and Northern Ireland Provides all the options for obtaining finance, loans and more Gives students and parents tips on which credit options to watch out for Offers expert advice on ongoing student finance support, managing income and expenditure and working during study Take the worry out of financing your education and focus on your studies with the help of Student Finance For Dummies.

“The book answers both the myths you thought sounded pretty great, such as 'If you go abroad after graduation, you don't have to pay back the student loan', and the ones you were probably a bit worried about like a student loan making it harder to get a mortgage—I wouldn't be able to put all the details that bust those myths into better words than Davis, so you'll have to give the book a good read!” (Life and Times of a Student, February 2016)

From the Back Cover
