The must-read summary of Mike Nelson's book: "Clutter-Proof Your Business: How to De-Clutter Your Business and

Why You Should Do It". The complete summary of the ideas from Mike Nelson's book "Clutter-Proof Your Business" shows that in order to overcome a cluttering habit, you can logically expect to take one of two approaches: try and restrict the inflow of "stuff" into your life, or try and better understand why it is you feel the need to hold on to things. In his book, the author explains that the second approach is best as it has the potential to deliver more long-term benefits. This summary will teach you how to find the source of your clutter and systematically deal with the root causes in order to be clutter-free for life. Added-value of this summary:

- Save time
- Understand key concepts
- Increase your business knowledge

To learn more, read "Clutter-Proof Your Business" and discover the key to working efficiently.
