that they get the full value from the Summary. I find these Summaries very valuable. They cover the highlights and I have to flesh out the barebones, but it is in this fleshing out that the full value emerges. I may not get as much value out of the full work, as I don't need to do any work. In any case, these Summaries are valuable. 0 of 0 people found the following review helpful. Excellent

The ink was completely smudged on every page. Most of it is unreadable.
