The must-read summary of David Kupelian's book: "The Marketing of Evil: How Radicals, Elitists, and Pseudo-

Experts Sell Us Corruption Disguised as Freedom". This complete summary of "The Marketing of Evil" by David Kupelian, a prominent conservative journalist, presents his examination of the reasons why Americans accept some ideas and behaviors today that were unacceptable less than a decade ago. In his book, the author exposes how traditionally unacceptable actions such as abortion, stem cell research and increasing secularism are accepted today due to marketers that play on our emotions and values. Added-value of this summary: **Save time**; **Understand the corruption of society through media and marketing tactics**; **Expand your knowledge of American media and society** To learn more, read "The Marketing of Evil" and discover why we are accepting corruption and unacceptable behavior in today's society.
