This book is a financial tool for everyone who is ...By Tamera Young This book is a financial tool for everyone who is not in the financial industry to read meaning it is very helpful in making financial decisions if you are not a professional. I consider it to be very valuable. I let a friend borrow the

book and she never returned it. I thought the book was so important to have that I purchased another one in its place. 0 of 0 people found the following review helpful. A book to inspire and change your destiny! By Bishop Willie Thornton This book is incredible! Every African American needs this book. It encourages you to be a wealth builder and not a consumer. Fantastic! 0 of 0 people found the following review helpful. I am truly pleased. By Rodgers A. Washington The book came in two days as guaranteed, the book is in brand new condition. I am truly pleased.

Despite trillions of dollars spent and the development of welfare programs, poverty has actually gotten much worse. Nationally, 30% of black families live below the poverty line, an increase of 20% since 1969. Lee Jenkins knows that poverty is not corrected by a redistribution of wealth, but by the transformation of people. In his new book, he offers readers comprehensive strategies for setting goals in the areas of family, faith, friends, finances, and fitness.

This book is a wonderful guide in practicing godly principles of wise stewardship. It teaches solid strategies on being good managers over everything including our money. -Minister and Mrs. Kirk and Tammy Franklin, Grammy Award Winning Gospel Recording Artist Lee Jenkin's book Taking Care of Business breaks away from the pack. Finally a book that takes a biblical approach to building generational wealth from the perspective of the African-American experience. I highly recommend it. -Deion Sanders, NFL Superstar Lee Jenkins serves as one of our nation's top financial advisors. With his landmark book, he will serve now as our preeminent business and success coach as well. Absorb each lesson if you desire to increase your finances, but savor every word if you seek the true riches of life. -Dennis P. Kimbro, Ph.D., Best-selling Author of What Makes the Great Great Three cheers! Lee Jenkins accomplishes something important and rare for a book of this sort. He wed's solid Christian teaching to financial practices and places fascinating dialogue within the context of African American history and culture. With the voice and heart of a master teacher, he clearly sets forth the ABC's of financial literacy. -Dr. Robert M. Franklin, President, Interdenominational Theological Center, Atlanta, GA Taking Care of Business is the financial answer to keeping our families strong. Lee Jenkins has produced a practical guide, using Christian principles that will help families become financially savvy. -Judge Glenda Hatchett, The Judge Hatchett Show Taking Care of Business is long overdue. It is one of the most relevant and challenging books I have read recently. In this book, Lee covers the ABC's of finances and business in general. There is no doubt that this best-seller will better the lives of individuals, families, churches and communities. Lee's personal integrity, vision, and passion position him to speak with authority. -Dr. Samuel R. Chand, President, Beulah Heights Bible College, Atlanta, GA Lee Jenkins is uniquely qualified to be heard. I believe he is undoubtedly the right man for this kind of project. In his new book Taking Care of Business Lee draws from his abundant wisdom as a stellar financial advisor and his extensive ministry experience. I highly recommend this book. -Howard Dayton, Co-CEO Crown Financial Ministries Every decade a great stewardship book is called forward from an insightful leader . . . a leader who knows the financial pulse of the issues of the day for families, the church, and parachurch ministries. For such a time as this, this is that book and Jenkins is that leader. Buy a copy for anyone you consider dear in your life. -Scott Preissler, M.Ed., M.A., President, Christian Stewardship Association
