Best book, inspirational, helped me a lot.By jesusWhat I liked about this book is that it motivated me to move forward, and to look only to the present and not the past. Also it thought me to be the best I can be everyday. I would recommend this book to anyone who wants to be better than they were

ContrastBy MartinezTe Desafio A Prosperar is a great book by one of the most brilliant teachers and writers on the motivational field in the spanish language, you will truly enjoy the easy to read text and the CONTRAST of the usually common teachings of our culture with the unlimited world that sometimes goes unexplored by our limited thinking. The book will expand your mind to different levels is a wonderful book, love it!0 of 0 people found the following review helpful. Nunca terminas de aprenderBy esteban ramosExcelente libro

¿Cuánto dinero gana? ¿Cuánto le gustaría ganar? En realidad no gana lo que merece, sino lo que otros "creen" que merece...En un mercado de libre competencia, gran parte del éxito consiste en saber elevar nuestro nivel de cotización. Este libro nos muestra cómo. Su lectura entretiene, enseña y desafía. El lector se ve reflejado en sus páginas con asombrosa nitidez, identificando las conductas que le han estorbado para lograr mayor prosperidad, conociendo estrategias para superar cualquier tipo de crisis y descubriendo las claves que lo pueden llevar a un mayor crecimiento económico. Sin duda, su lectura es provechosa; obligatoria para todo aquel que quiere lograr más y no está dispuesto a conformarse.
