Harry Scarbrough, J. Martin Corbett : Technology and Organization (RLE: Organizations): Power, Meaning and Design (Routledge Library Editions: Organizations) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Technology and Organization (RLE: Organizations): Power, Meaning and Design (Routledge Library Editions: Organizations):

In this important MBA text the authors adopt a highly integrated approach. Using the three conceptual lenses of power, meaning and design they explore fully the many different ways in which technology and organizations interact. They highlight the major debates within these competing perspectives and argue that the flow of knowledge and ideas within and between organizations is crucial in shaping technologies and organizations alike.

About the AuthorMultivolume collection by leading authors in the field
