Herbert E. Nass : The 101 Biggest Estate Planning Mistakes before purchasing it in order to gage whether or not it would be worth my time, and all praised The 101 Biggest Estate Planning Mistakes:

0 of 0 people found the following review helpful. Estate PlanningBy NMLJOEEcellent book for someone interested in estate planning. Why it is important to plan. Making little choices can be the difference.9 of 9 people found the following review helpful. Estate PlanningBy S. BrennanI don't think this is a replacement for using an attorney to plan your estate matters, however, I truly think this had me prepared with any questions I might have when I set up the appointment. It's well worth the money to check this out BEFORE you spend all the money on the attorney fees.It's thought provoking and suggests things to consider that you might not otherwise think about. I would recommend it if

you are planning to set up any kind of estate trust matters. 1 of 1 people found the following review helpful. Its an Easy Read By S. Figueroa Estate Planning is a subject perhaps too steeped in mountains of paperwork and legalese. This author made the reading entertaining and discusses, albeit somewhat superficially, the more common mistakes when creating an estate plan. It was short and entertaining. Not to mention the voyeuristic aspect of learning about (and reading) excerpts of famous people's wills. I wouldn't say its a must-have, but I would say its worth the price and you'd be a little more educated about the subject because of it.

A trust and estate lawyer to the stars offers an engaging look at how to avoid numerous estate planning mistakes In *The 101 Biggest Estate Planning Mistakes*, author Herbert Nass, an estate planner for some of today's most famous celebrities, offers an entertaining look at what not to do when setting up an estate plan, or administering an estate. By examining the mistakes made by some of the most well-known celebrities—from Bob Marley to John F. Kennedy, Sr. and Jr.—this book will guide readers toward making a successful estate plan and help them avoid many common pitfalls. Chapters cover such topics as: mistakes involving tangible personal property, real estate, executors and trustees, minors, or persons with disabilities; as well as disgruntled family and friends left behind. Puts estate planning in perspective through entertaining examples of mistakes celebrities have made in developing their own plans Taps into the voyeuristic interest we have in the lives of the rich and famous Offers an insider's look at many fascinating wills of the rich and famous Given the emotional, financial, and legal issues that arise from the death of a loved one—and the substantial assets that are transferred from one generation to the next at this time—understanding estate planning is essential. This book will put you in a better position to make more informed estate planning decisions.

From the Back Cover PRAISE FOR THE 101 BIGGEST ESTATE PLANNING MISTAKES "Herbert Nass has written an accessible and comprehensive guide to estate planning—something everyone should not only think about, but know about." —Donald J. Trump, Chairman and CEO, The Trump Organization "The 101 Biggest Estate Planning Mistakes is an invaluable guide for all taxpayers as well as their professional advisors. Every individual in 2009, whether they are subject to estate tax or not, needs to review their estate and financial plan. Learning from the mistakes of others is the best road map as to what not to do!" —Sidney Kess, tax expert, Chairman, Tax Hotline "Herb Nass has written a valuable primer telling both lawyers and laypersons, in a witty and clear style, the numerous mistakes to avoid in estate planning." —William D. Zabel, Senior Partner, Schulte Roth Zabel LLP "Herb Nass is not only a fine writer with a keen knowledge of the fine points of law, but he is also something of a literary good Samaritan. He has previously taught us all about wills. Now he solves the problem every person faces—what, when, and how to leave everything behind after that final exit, and how to avoid mistakes when doing it." —Rex Reed, *The New York Observer* Trust and estate lawyer to the stars Herbert Nass offers essential guidance on setting up an estate plan and avoiding many of the common pitfalls In *The 101 Biggest Estate Planning Mistakes*, author Herbert Nass, an estate planner for some of today's most famous celebrities, offers an entertaining look at what not to do when setting up an estate plan or administering an estate. By examining the mistakes made by some of the most well-known celebrities—from Bob Marley to John F. Kennedy Sr. and Jr.—this book will guide you in creating a successful estate plan and help you avoid many of the common pitfalls associated with the process.
