**Jean Blacklock, Sarah Kruger : The 50 Biggest Estate Planning Mistakes...and How to Avoid Them** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The 50 Biggest Estate Planning Mistakes...and How to Avoid Them:

0 of 0 people found the following review helpful. Don't leave this earth until after you read this book By joe kelly Basic knowledge which every one should be aware of. You will be surprised when you read the the total tax bills which are applicable after your death. Your tax bill may force your heirs to dispose of their inheritance before they receive a penny of what should rightfully theirs. Recommended reading for anyone who has assets they wish to pass to their

heirs. Complete review of basic information and recommended steps to avoid the pitfalls after you have passed on. 0 of 0 people found the following review helpful. the 50 biggest estate planning mistakes By Customer An easy to understand guide with a little humor sprinkled in.....I picked this up from a referral north of the border and have really found it to be undeniably useful so far. A lot of the mistakes hit home and made me think about how small changes can really produce lasting changes for more confidence in your estate planning. For example, did you know how important it is to have an alternate selection for your power of attorneys and executor?! Highly recommend it for all of those revisiting and embarking on their estate plans.

Stepping Lightly Around the Pitfalls of Estate Planning... Estate planning is one of those unpleasant but really important tasks. Unfortunately, the process is not only hard to get started, it is then easy to make mistakes. Even the most careful and well-intentioned person can slip up along the way. Avoid the pitfalls! The 50 Biggest Estate Planning Mistakes outlines the major mistakes and their consequences in an entertaining way-and then proceeds to tell you exactly how to avoid these mistakes. Delivering practical and helpful information in a light tone, the authors help to make these sometimes difficult conversations a little easier. The book's fifty concise chapters are filled with real-life examples, organized under four key areas of mistakes: The biggest mistake of not planning at all Failing to plan for the possibility of mental incompetency Mistakes made during the estate planning process itself And common mistakes made by executors Written by personal finance and estate planning experts, Jean Blacklock and Sarah Kruger, The 50 Biggest Estate Planning Mistakes and How To Avoid Them is an essential guide for Canadians interested in planning their estates effectively, with minimal stress on their loved ones.

From the Back Cover "The best estate-planning book I've read in 30 years. Outstanding!" David Chilton, author of The Wealthy Barber Returns This book is, quite simply, the best I've seen in its field. It is sound, comprehensive, helpful, and most importantly readable. Its authors know their business, and they know how to explain what you need to know to make intelligent plans for your estate. Donald Coxe, Chairman of Coxe Advisors LLP, has been a columnist with the Globe Mail, the National Post, and Maclean's and is the author of The New Reality of Wall Street A sensible, sound and savvy guide for everyone who is not immortal that is, all of us. Thoroughly enjoyable and insightful. A must-read for all those thinking about estate planning which, too, should be all of us. Michael Gordon, MD, MSc, FRCPC, Geriatrician and author of Moments that Matter: Cases in Ethical Eldercare In a very readable and easy-to-understand manner, this book hits all of the common estate planning mistakes head-on. I highly recommend it. Ian Hull, LLB, Hull Hull LLP This book is a must-read to understand how to protect your hard-won assets and assure a smooth transition for your family when you are gone. This easy-to-read guide provides the information needed to make the right decisions at the right time. Sherry Cooper, Chief Economist of BMO Capital Markets and author of The New Retirement stepping lightly around the pitfalls of estate planning hellip; Estate planning is critically important, but it's a task many of us would rather avoid. And once you get started, even the most careful and well-intentioned person can slip up along the way. Avoid the pitfalls! The 50 Biggest Estate Planning Mistakes outlines the major mistakes and their consequences in an entertaining way and helps you to get your estate planning right.
