**Matt Hrushka : The Ad War: A look into the multi-billion dollar advertising industry and how they waged war against their own consumers** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Ad War: A look into the multi-billion dollar advertising industry and how they waged war against their

own consumers:

Written by award winning technologist and entrepreneur, Matt Hrushka, *The Ad War* reveals the inner workings of Online Advertising and exposes a growing conflict between advertising networks and their own consumers. Learn how the demand for relevance has led the industry into a perilous struggle with privacy and control that could ultimately change the way we use the internet.
