**James D Ludema, Bernard J Mohr, Diana Whitney, Thomas J Griffin : The Appreciative Inquiry Summit: A Practitioner's Guide for Leading Large-Group Change** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Appreciative Inquiry Summit: A Practitioner's Guide for Leading Large-Group Change:

0 of 0 people found the following review helpful. It provides great examples and a wide set of tools and guidesBy Agustin JimenezThis work is a detailed step-by-step guide to conducting an AI summit. It provides great examples and

a wide set of tools and guides. If you want to learn how to evolve from the problem solving approach to an appreciative approach, this book is very useful. 0 of 0 people found the following review helpful. Great content from another's perspective than just the Whitney/Cooperrider view. By C. Pack Great content from another's perspective than just the Whitney/Cooperrider view. 0 of 0 people found the following review helpful. The perfect guide for facilitating large group processes. By Cynthia M. Heelan This five star read is the perfect guide for facilitating the large group process known as Appreciative Inquiry. It is inspirational, clear, concise and I consult it every time I lead the process for a group.

A proven program for organizational change, illustrated with real-life examples from companies and community groups

About the Author Dr. James D. Ludema is an internationally recognized organizational consultant and a founding owner of appreciative inquiry consulting, a global firm that includes the world's leading thinkers and practitioners of the appreciative enquiry.
