Bob Burg : The Art of Persuasion: Winning Without Intimidation before purchasing it in order to gage whether or not it would be worth my time, and all praised The Art of Persuasion: Winning Without Intimidation:

0 of 0 people found the following review helpful. Five StarsBy CustomerGreat product and great seller. Thx!!1 of 1 people found the following review helpful. what an informative book!By CustomerI love the way the author breaks down each persuasion, or provide you with example that illustrate his point flawlessly. I will read and re-read this book until I master these techniques which are useful in many situations. I've tried a few of the things he's suggested and they have worked like charm. A very valuable book! Leaders and managers should be required to read it!1 of 1

people found the following review helpful. Valuable book By S. Ryan I got so much out of the book, to the point of being able to successfully use its principles twice within a week of reading. I plan on re-reading this book every 6 months or so as a refresher. I really get more satisfaction from being nice to people and I love how the author book encourages kindness while teaching you to stand your ground and get what you want.

What if you could get what you want...when you want it...and from whomever has it?

Bob Burg has done it! This new book is dynamic, delightful, and abundantly full of every tip you will ever need to MASTER the art of positive persuasion. Be wise. Buy a carton! Give them to your own sales team and all your clients, too. --- Dottie Walters, author of *Speak Grow Rich* About the Author Bob Burg shares information on topics vital to the success of today's businessperson. He speaks for corporations and associations internationally, including Fortune 500 companies, franchises, and numerous direct sales organizations. Sharing the principles contained in his bestselling books, Bob has shared the platform with notables including today's top thought leaders, broadcast personalities, Olympic athletes and political leaders including a former United States President. He is an advocate, supporter, and defender of the free enterprise system and empowers individuals and organizations to thrive and grow by putting its principles to work.
