Stephen Bach, Ian Kessler : The Modernisation of the Public Services and Employee Relations: Targeted Change (Management, Work and Organisations) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Modernisation of the Public Services and Employee Relations: Targeted Change (Management, Work and Organisations):

The Modernisation of the Public Services and Employee Relations provides an integrated and up-to-date account of changes in work and employment in the public services. The book examines a range of different sectors focusing on core public services, especially local government, the NHS and the civil service.
