**Melanie Ashleigh, Angela Mansi : The Psychology of People in Organisations** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Psychology of People in Organisations:

A genuinely student-friendly and engaging introduction to work psychology and organisational behaviour. Packed with real life examples and ethical dilemmas to start debate and get students thinking critically, The Psychology of People in Organisations offers authoritative content presented in a refreshingly accessible way.

About the AuthorMelanie Ashleigh is a senior lecturer at the University of Southampton, where she is also director of the MSc in Management. She has extensive experience of consultancy, working both in industry and with academics.Angela Mansi is a senior lecturer in work psychology at Westminster Business School. She is a Chartered

Organisational Psychologist and a full member of the British Psychological Society Division of Occupational Psychologists
