**From SAGE Publications Ltd : The Reengineering Revolution: Critical Studies of Corporate Change** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Reengineering Revolution: Critical Studies of Corporate Change:

The Reengineering Revolution reviews the significance of the Business Process Reengineering trend for management

practice since the early 1990's. Combining empirical and theoretical perspectives, David Knights and Hugh Willmott show how both term and practice shaped the recent widely adopted policies of 'downsizing', restructuring and emphasis on 'process' rather than task. Well-known contributors analyze the impact of Business Process Reengineering in a number of settings: supermarkets and the food chain; the public sector; banks. The theoretical history of Business Process Reengineering is also detailed in relation to ideas about bureaucracy, hierarchy, transformation and design.

About the Author Professor of Organizational Analysis and Director of the Financial Services Research Center at the Manchester School of Management. Chris Grey is a Reader in Organization Theory at the Judge Institute of Management Studies, University of Cambridge. He is a co-editor of Essential Readings in Management Learning (with Elena Antonacopoulou, Sage, 2003), Editor-in-chief of Management Learning, European Co-editor of the Journal of Management Inquiry, and a member of the editorial boards of the Journal of Management Studies, British Journal of Management, Critical Journal of International Business, Philosophy of Management, and Organization. Hugh Willmott is Diageo Professor of Management Studies at the Judge Institute of Management Studies, University of Cambridge. He is a co-editor of Critical Management Studies (Sage, 1992), and Studying Management Critically (Sage, 2003) - both with Mats Alvesson, and co-author with Mats Alvesson of Making Sense of Management: A Critical Introduction (Sage, 1996). He is a member of the editorial boards of the Academy of Management, Journal of Management Studies, and Organization Studies.
