Mark Victor Hansen : The Richest Kids in America before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Richest Kids in America:

0 of 0 people found the following review helpful. Four Stars By K Hubbard Great inspiration for kids that want to start their own businesses--they can see some success stories. 3 of 3 people found the following review helpful. An AMAZING book! By D. B. MILLER I ordered this book for my daughter as a graduation gift; however, when the book arrived, I proceeded to read this book before giving it to her. I simply could not put it down!...and she absolutely loved this book!...what can I say, we are soooooo pleased! 14 of 15 people found the following review helpful. Dr Bill Toth

on "The Richest Kids in America" By Bill Toth Short, quick and written for the 14-18 YO. Opens minds to new ideas A must read for the children of parents who want more for their kids than a series of jobs. Our 15 YO loved it. Live with Intention, [...].

Get ready to meet some amazing entrepreneurial superstars who are living their dreams and making a big difference doing it. They've shared their stories to inspire you, teach you, and show you that your own opportunities are endless. How did they discover their passion? What were their first steps to building their business? Who supported them along the way? Why do they all choose to give back to their community? In this book you'll learn the key principles that catapulted each of these incredible young entrepreneurs to success and how these same principles will lead you to a life of ultimate fulfillment.
