I was able to take the principles and apply them to my finances. Over the years I have remembered some but not all and have suffered because of it. I am looking forward to memorizing these laws of money and making my money and it's children grow! I love this book and am making a commitment to read it 3 to 4 times a year so that I do not suffer the same misfortunes again.2 of 2 people found the

The book has some very interesting facts you can apply to today's living2 of 2 people found the following review helpful. a must read!!!By C. PeterAmazing teachings for anyone interested in being wealthy and succesfull. Quick to read and full of great teachings that still apply today.

This timeless book holds that the key to success lies in the secrets of the ancients. Based on the famous "Babylonian principles," it's been hailed as the greatest of all inspirational works on the subject of thrift and financial planning.
