1 of 1 people found the following review helpful. A good review...By R. BohannonDescent book and job. Not super, just worth the read. Sort of like a cliff notes of sales books. While my definition of the "Best Sales Book" would differ, they did a good job of giving an overview and purpose of the book, then a chapter by chapter summary. Saved me tons of time and helps me to select those books I want to read further. Thanks for doing it!Your Purple Cow Creator!Dr.
