This little handbook gives a set of tools and templates to apply the method. I couldn't help but think that this is maybe one of too many. No great eureka moments. The style and the language was a bit boring and the whole thing feels like an attempt to sell some consulting work about solution

selling.... OK to read but not one of those books I carry with me and go back to over and over again. 1 of 1 people found the following review helpful. 20+ years in sales  
By Kduncan I have been in sales for 20 years and if I can read the first few chapters of a book and take some tips out of it that I think might work for me then in my mind---this is a great book!
