Karen Dale, Gibson Burrell : The Spaces of Organisation and the Organisation of Space: Power, Identity and Materiality at Work before purchasing it in order to gage whether or not it would be worth my time, and all praised The Spaces of Organisation and the Organisation of Space: Power, Identity and Materiality at Work:

This book examines the role and utilization of workplace 'space': how it is organized; how it can reflect organisational values; how it can affect employee identities; and the many ways in which the physical environment can influence and affect organisational goals, especially in areas such as commitment, creativity and innovation.

About the Author Karen Dale is Lecturer in Industrial Relations and Organisational Behaviour at the University of Warwick. She has previously worked in the NHS and Local Government Gibson Burrell is Professor of Organizational Behaviour at the University of Warwick. He is also co-editor of "Organization" the interdisciplinary journal of organization, theory and society published by Sage. With Gareth Morgan, he co-authored the path-breaking book Sociological Paradigms and Organizational Analysis in 1979 and has since published numerous articles in books and journals.
