David Dunkerley : The Study of Organizations (RLE: Organizations) (Routledge Library Editions: Organizations) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Study of Organizations (RLE: Organizations) (Routledge Library Editions: Organizations):

In this introduction for undergraduate students, the author surveys the development of the study of organizations from an historical point of view. He studies organizations within the framework of the main schools of thought, looks into the various levels of analysis involved, and considers the influence of the environment on the organization, particularly that of technology and of other organizations.

About the AuthorMultivolume collection by leading authors in the field
