Building my mansion in heavenBy TarheelTwiceBought several to give to my nonprofit's donors. It is a great quick read to remind you we are just God's financial managers and it is all about the treasure you build in heaven, not on earth.1 of 1 people found the following review helpful. Discover how the joy of giving can make your life richer, starting today. Bestselling author Randy Alcorn introduced readers to a revolution in material freedom and radical generosity with the release of the original *The Treasure Principle* in 2001. Now the revision to the compact, perennial bestseller includes a provocative new concluding chapter depicting God asking a believer questions about his stewardship over material resources. Jesus spent more time talking about money and possessions than about heaven and hell combined. But too often we've overlooked or misunderstood his most profound teaching on this topic, from his words in Matthew 6. Jesus offers us life-changing investment advice. He actually wants us to store up treasures for ourselves—just not here on earth. Instead, he urges us to store our treasure in heaven, where they will await us, and last forever. We can't take it with us—but we can send it on ahead! Readers are moved from the realms of thoughtful Bible exposition into the highly personal arena of everyday life. Because when Jesus told His followers to "lay up for yourselves treasures in heaven," He intended that they discover an astounding secret: how joyful giving brings God maximum glory and His children maximum pleasure. *The Treasure Principle* unearths a radical teaching of Jesus—a secret wrapped up in giving. Once you discover this secret, life will never look the same. And you won't want it to be. Supercharged with stunning, divine truth! Lightning struck over and over as I read it.— John Piper, Senior Pastor, Bethlehem Baptist Church, Minneapolis
