Roger Gill : Theory and Practice of Leadership before purchasing it in order to gauge whether or not it would be worth my time, and all praised Theory and Practice of Leadership:

1 of 1 people found the following review helpful. but I found his book to be waaaaay tiresome. Gill is knowledgeableBy Sylvia BenderNot sure if I'm rating the same book as the other raters, but I found his book to be waaaaay tiresome. Gill is knowledgeable, but long-winded. A more apt title for this book might be "101 Ways to Say the Same Thing in a Slightly Different Way." (Warning! reading this book may cause drowsiness. Do not drive or operate heavy machinery after reading!). Could benefit from a robust editing, otherwise not a good choice for 1st semester students. By contrast, the Peter Northouse book, "Introduction to Leadership: Concepts and Practice;" compact, easy to read, "spot on" (wink, wink KM) and delightful!0 of 0 people found the following review helpful. Comprehensive and Up to DateBy Michael P.This is a learner's gem! At the beginning of each chapter, it does a wonderful outline of what one will see in the body of the chapter, thus helping reading and learning. Each chapter is

neatly and helpfully subdivided. Anyone wanting a substantial and up-to-date overview of Leadership - from an ACADEMIC, not experiential or casual perspective - would find this book really helpful. I thought I'd resell my copy, but nope! I'm keeping it! 0 of 0 people found the following review helpful. The binding was broken, and the pages were falling ...By Amy SiemsThe binding was broken, and the pages were falling out when I received this book. I bought it for school and I needed to purchase it again!

Electronic Inspection Copy available for instructors herePraise for the first edition: 'At last a well-written, balanced and insightful British book on leadership. It is probable that every theory and assertion of consequence is commented upon. A real tour-de-force.'- Emeritus Professor Gerry Randell, University of Bradford School of Management'Theory and Practice of Leadership is an all encompassing, global review of examples and case studies that is both comprehensive and easily adaptable to almost any situation one would encounter in leading people.'- Richard J. Conwell, Nova Southeastern University, Journal of Applied Management and EntrepreneurshipIf you are looking for a more holistic and critical take on the field of leadership, look no further! The second edition of this engaging and highly-respected text offers an exploration of leadership in a variety of contexts, both profit-orientated and non-profit.New to this edition: Refined to capture and delineate the essential theories more clearly, with broader coverage taking in the latest developments in areas such as change, politics, assessment and development of leadership, and multiple intelligences.Further development of a new integrative model of core leadership themes and practices.Abundant examples and illustrations, together with detailed explanations of how they apply in practice.nbsp;Anbsp;companion website with an Instructor's Manual, PowerPoint slides, links to additional case studies and full-text journal articles. Theory and Practice of Leadership will prove a highly-stimulating read for undergraduate and postgraduate students of leadership and related subjects as well as management consultants and practising managers. Visit the Theory and Practice of Leadership companion website www.sagepub.co.uk/gill to take advantage of additional resources for students and lecturers. nbsp;

"I found this book to be a very usefulnbsp;resources for the future. . . nbsp;I found Gill's points to be very easy to understand. This book seems to be more geared to advanced scholars of leadership than to actual leaders. " (Matthew J. Grawitch Contemporary Psychology APA of Books) prime;Very sound textbook on leadership, giving an overview on all central topics and developmentsprime; Dr Karin MoserCategory Judge, CMI Management Book of the Year prime;A real tour-de-forceprime; Delroy Beverley Category judge, CMI Management Book of the YearAbout the AuthorRoger Gill is Visiting Professor of Leadership Studies at Durham University Business School (DUBS), Durham University in the UK, and an independent consultant on leadership and leadership development.nbsp; He supervises research both in DUBS and in Durhamsquo;s Department of Theology Religion.nbsp; He is a Chartered Psychologist, a graduate of the universities of Oxford, Liverpool, and Bradford and a Fellow of the Leadership Trust Foundation.
